Dear Mary,

I would like to express my support of installing the "Rock Paper Scissors" sculpture outside of the Library. I believe the sculpture would mark the path to the main Library entrance, helping to guide patrons there from the Police station lot. It would also be a wonderful family-friendly meeting spot for the community.

The creativity of the artwork speaks to the creative work occurring at the Library as well as Westport as an arts town.

I appreciate your consideration.

Thank you,

Robert Haroun
